Environmental Health Coalition 2004

Barrio Logan: Land Use and Environmental Justice

Goods Movement

National City: People and Toxics Don't Mix

Chula Vista: Reclaiming the Bay front

Colonia Chilpancingo, Tijuana: Globalization and the struggle for health and human rights

- 67% of the homes have dirt floors
- 66% of the homes do not have piped water
- 33% of the homes do not have sewer hook-ups
- 2 adults employed full-time in the maquiladora industry cover only 2/3 of the basic needs of a family of 4

Globalization = Environmental Injustice

Metales y Derivados

Over 23,000 tons of
contaminated
waste including
lead and arsenic

Children living near
the site tested
positive for lead
poisoning

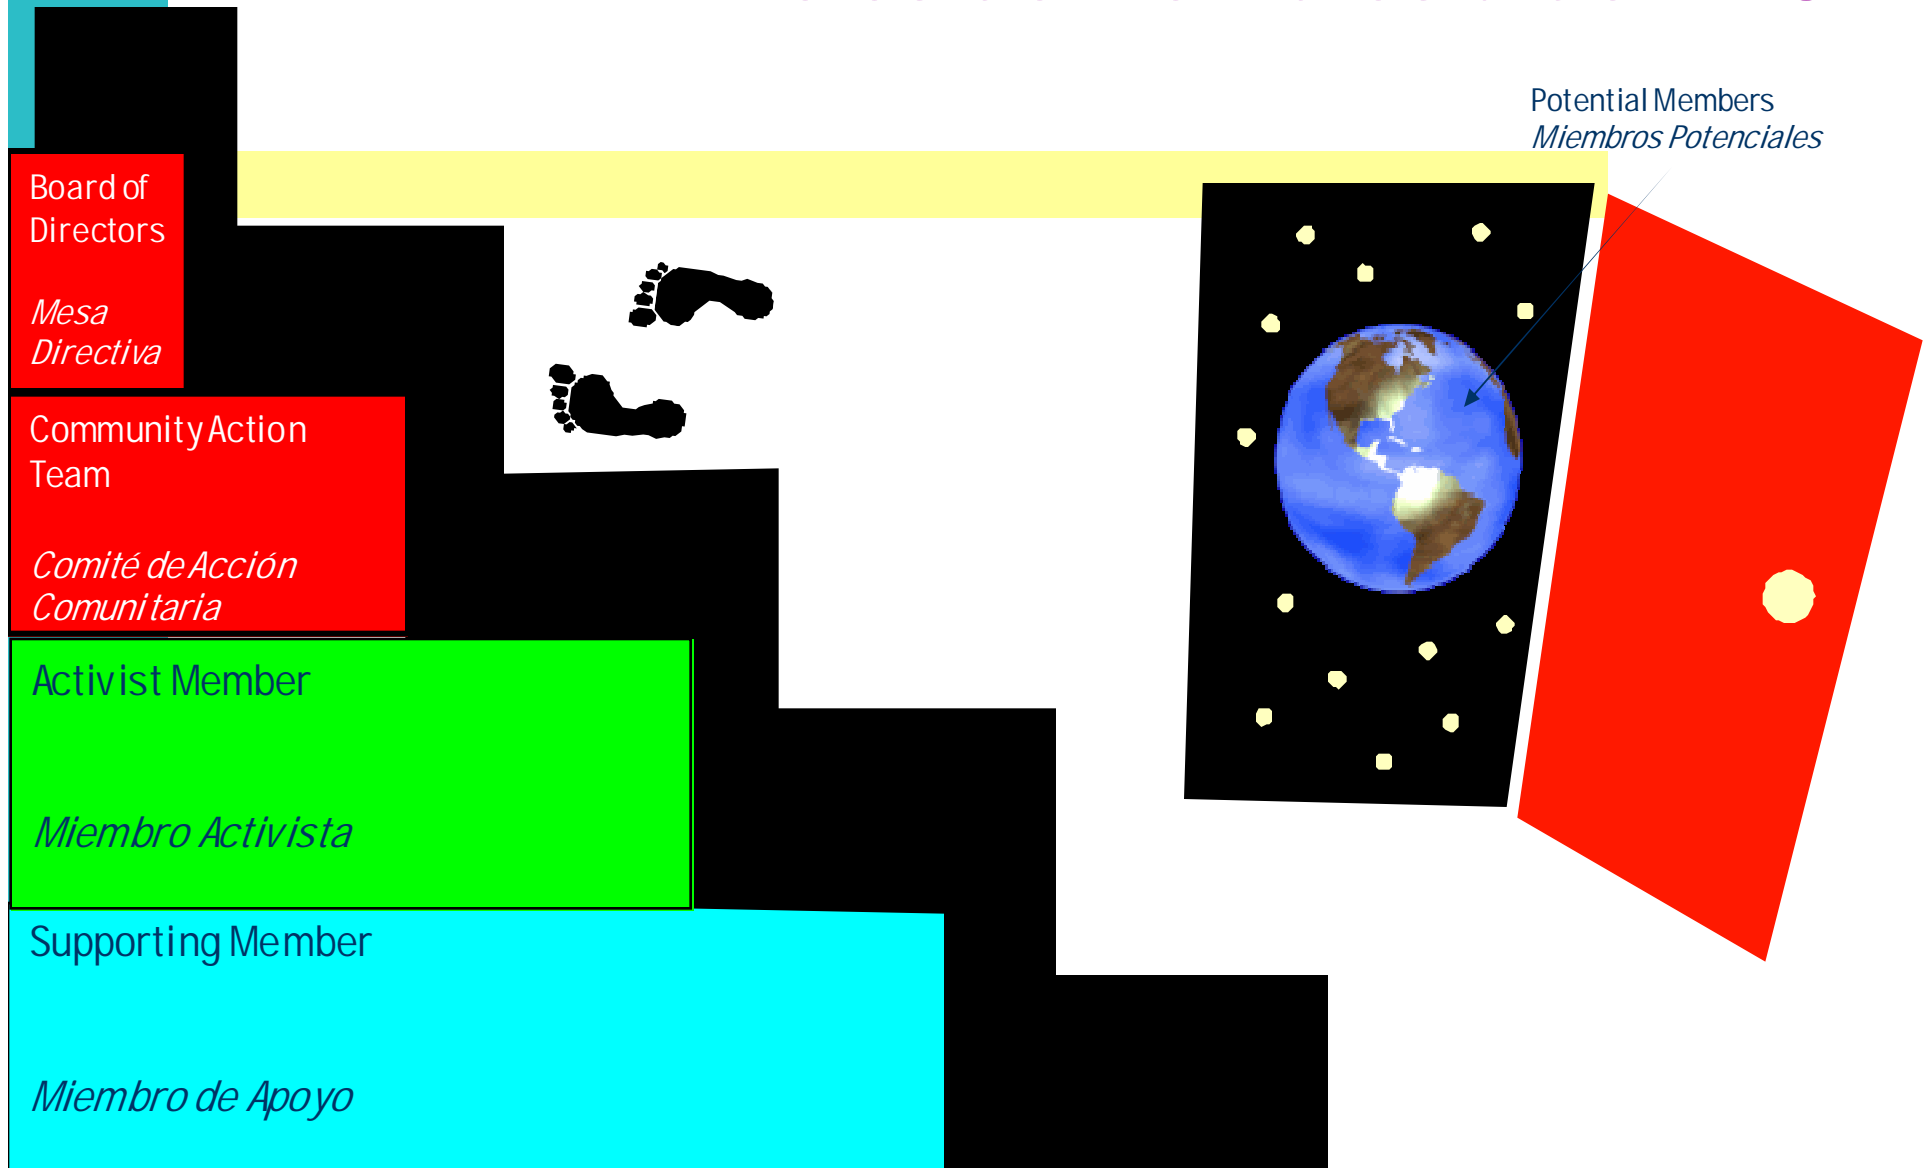

Globalization = Poverty
