

American Public Health Association  
139<sup>th</sup> Annual Conference  
Healthy Communities Promote Healthy Minds and Bodies

Session 4192.0 Lessons learned from community based participatory research projects

Urban Church, Community and Academic Partners Impact Youth Health and Endurance  
Tuesday, November 1, 2011

Judy B Springer, PhD  
Milwaukee Area Technical College  
Badgerland Striders

Jeffrey Morzinski, PhD, and Melissa DeNemie, MS  
Medical College of Wisconsin

Willie Davis  
Greater New Birth Church (at the time the research was conducted)  
Marquette University (current)
