

NASN Offers School Nurse Oral Health Resources

The logo for Oral Health Connections features the text "Oral Health Connections" in a dark blue, italicized serif font. The text is centered within a graphic composed of three overlapping circles. The central circle is dark blue, while the two flanking circles are a lighter, teal-blue color. The circles overlap in the center, creating a continuous, interconnected shape.

Oral Health Connections

Log on to www.oralhealthconnections.org for free oral health information and support offered by a dozen expert organizations.

Funding for this project provided by an unrestricted educational grant from the DentaQuest Foundation.
