

Want to strengthen your community's involvement in research?

Download the ***Building Your Capacity: Advancing Research through Community Engagement (BYC)*** curriculum guide.

Developed by Tufts CTSI and several partners*, the BYC Guide offers:

- An overview of the importance of community-engaged research
- Step-by-step instructions for starting your own research capacity-building program
- Facilitator notes to help you most effectively use the guide
- Learning modules, tools, and resources customizable for your community.

Get started on building your community's research capacity. Scan the code below or visit:
