

Hui Ola Pono

Public health club at University of Hawaii at Manoa

INTERESTED?

Become a Hui Member!

Step 1. Join our mailing list

Sign up via email, our website, or "like" us on Facebook to stay in touch and up to date on Hui events.

Step 2. Attend our monthly general meetings

The Hui plans its monthly meetings according to the general Public Health class schedule. These meetings are held on-campus and during a time that accommodates most students' schedules.

Step 3. Participate in community, networking and social events

As Hui members, join us as we get involved in projects and help to organize events that share the gift of health with our community through education, advocacy and service.

Member point system

The Hui is in the process of implementing a member point system where students can earn points for attending meetings, events and socials in order to achieve "active status" and be recognized for their service at the end of the semester.
Stay tuned!
