

WELCOME CAMPAIGN SUPPORTERS

Thank you for your support of the Keep What You've Earned campaign. You and your organization can play an essential role in promoting responsible drinking behaviors in the Navy.

WHO WE ARE

The Navy Alcohol and Drug Abuse Prevention Office (NADAP) is the Navy's center for preventing drug and alcohol abuse among Sailors, thereby increasing fleet and mission readiness. Our mission is to provide you with the information and assistance you need to support individual and command alcohol abuse and drug use prevention efforts.

The Keep What You've Earned (KWYE) campaign was created to encourage responsible drinking among Sailors by focusing on the achievements in their Navy careers. Through recognition of their hard work and dedication, Sailors are reminded of their accomplishments—and how much they have to lose if they make poor choices regarding alcohol. The campaign actively engages Sailors as advocates for responsible drinking.

WHY SUPPORT THE "KEEP WHAT YOU'VE EARNED" CAMPAIGN?

Alcohol abuse has long been a detriment to mission readiness among Navy personnel. Progress is being made, but the impacts are still severe (see stats on right).

2011 Department of Defense Survey of Health Related Behaviors Among Active Duty Personnel

- 9% of Navy respondents reported heavy drinking (5+ drinks), compared to 18% in 2008
- Among current drinkers, binge drinking was reduced from 48% in 2008 to 40% in 2011
- 30% of heavy drinkers experienced serious consequences as a result

The Navy is an organization that functions by working together for the success of the whole. Each individual success leads to group success, just as individual losses are felt by the entire fleet. Alcohol abuse in the Navy affects readiness because it directly influences the behavior, safety and health of our Sailors. When Sailors make destructive decisions regarding alcohol, they waste what they've earned and decrease the readiness of the total Force.

BENEFITS OF PARTNERSHIP

NADAP invites organizations and programs that align with the KWYE campaign's goals to participate as a partner of the campaign and help spread campaign messages and resources. In return, NADAP will promote and advance the shared missions of partners through our communication channels.

Once a partner, NADAP will provide materials and information to help support partners with quick and easy outreach, such as:

- Custom, tailored messages and materials
- Fact sheet and poster
- Social media messaging and leadership talking points
